## = SUCCESS STORIES =

KIZ companies across the commonwealth have spent the last year and half shifting business models and manufacturing efforts to assist in crucial COVID-19 mitigation efforts. While we cannot highlight all their efforts, DCED is proud to shed a light on some of the great work occurring in PA.

Philadelphia, PA

### **SUCCESS STORY** **THE 215GUYS** University City KIZ

- Learned quickly that many businesses needed assistance with pop-up message on their websites to inform customers about their business status: currently closed, order online here, etc.
- In turn, helped numerous local (and a few national) businesses communicate remotely to their communities.
- Provided this service to anyone, free of charge.

### **SUCCESS STORY** **HEALTHVERITY, INC.** University City KIZ

- Awarded a contract in Q4 20 by Health and Human Services to provide software for Privacy-Preserving Record Linkage in support of national COVID-19 study and vaccine efforts.
- Worked with NIH, NCI, FDA and CDC to help power the interoperability of COVID-19 data between key Federal agencies and state governments in a privacy-protecting manner.

Philadelphia, PA

### SUCCESS STORY MARATHON STUDIOS Pocono Mountains KIZ

- Designed and distributed COVID-19 social distancing signage and floor stickers - targeted for use in the retail and office sectors.
- Products received excellent reviews, and despite logistics and production setbacks due to COVID, were able to produce and distribute over 10,000 sets to businesses around the country.

### SUCCESS STORY WAZOODLE FABRICS BioLaunch611+ KIZ

- Developed special fabrics for masks and gowns and applied antimicrobial finishes on most of their fabrics.
- Worked double shifts with friends and family to ship out tens of thousands of fabric orders to individuals making masks for hospitals.
- Developed a reusable fabric for making surgical/isolation gowns.
- Supplied the reusable fabric to businesses that made isolation gowns for hospitals and nursing homes.
- Diverted all manufacturing to PPE fabrics only and contracted with about 20 other mills.

## SUMMARY

The KIZ Tax Credit program continues to be a critical component of Pennsylvania's economic development resources. Over the years, revenue generated from the KIZ Tax Credit Sale program has infused over \$136 million into qualified KIZ companies. The new capital derived from the sale of the unused KIZ Tax Credits has increased the ability of these early-stage companies to grow, hire new employees, and expand to meet the demands of their customers.
